

Tricia Trick-Eckert, RID, NCIDQ

Principal, Designer

Tricia co-leads our higher education market segment and has invested her career in providing design solutions for higher education, residential, corporate office, and Greek housing. She has made significant contributions to Rowland Design's work benefiting clients such as Purdue University, Lucas Oil Stadium, Lilly Endowment, and IU Health.

A graduate of Purdue University, Tricia is NCIDQ certified and gives back to our community in many ways. Tricia serves as the President of the Board of Directors for the Fair Haven Foundation and is a board member for the Gamma Phi Beta House Corporation at Purdue.
